IN RE: Application of Vertex Communications, Incorporated for Approval to Transfer Their
Customer Base to dPi Teleconnect, LLC
Docket No. 2007-297-C

Dear Mr. Terreni:

On August 14, 2007, Vertex Communications (Vertex) applied for approval of the transfer of its customer base to dPi Teleconnect, LLC (dPi). This week's utilities agenda states Vertex's application is to be acted on this week by the Commission. However, the return date for this docket was set as September 20, 2007. Therefore, ORS respectfully requests the Commission refrain from acting on Vertex's application until the return date has passed.

Additionally, the agenda states ORS has no objection to Vertex's application. My letter dated August 30, 2007 stated only that dPi was no longer subject to the Rule to Show Cause filed in 2007-253-C and did not adopt a position as to this application. ORS is still reviewing Vertex's application.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided. Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let me know.

Sincerely,

Shealy Boland Reibold
